

WEAVERS OF ORLANDO HOLIDAY SHOW & SALE 2017

LAKESIDE INN – MOUNT DORA, FLORIDA

FRIDAY, 12/1; SATURDAY, 12/2; AND SUNDAY, 12/3

GUIDELINES FOR PARTICIPANTS

We are pleased you have chosen to enter your handcrafted goods in the 19th annual Holiday Sale. We will do our best to present your work as artfully as we can, and hope you will enjoy the experience. Of course we assume that the work you submit is your own – created with quality materials, design and workmanship. If you incorporate something from another artist you should identify that on your hang tag. Members of the Sale Committee will examine each entry and will not display any item that does not meet the criteria above, or does not have the required hang tag and regulation price tag.

You should plan to CHECK IN your work between Noon and 3 PM on Thursday, November 30. If you cannot be there at that time you can arrange for someone else to bring in your work and wait while the work is checked in. Each item must have a downloaded and printed price tag with your PIN (personal identification number) and the item number from your inventory sheet. Also attached to each piece must be a hang tag with your contact information on the front and item name, description and care information on the back). Please list all of your items consecutively. At the bottom of each page total the number of items and also the total value of items. Be sure to sign each page. These sheets are the records used for check in and check out and for verifying your total sales. The sale percentage you are entitled to will be deducted from your total sales amount and net proceeds will be sent to you within a month. Florida sales tax will be collected separately and paid to the State and requisite forms will be filed by the Sale Committee.

CHECK OUT will be Sunday from 2:30 to 4 PM. You can have someone else check out for you but they will be responsible for signing your inventory sheet and delivering any unsold items to you.

If you have chosen to have your percentage contribution lowered by working at the sale, you must work six (6) hours or more to receive that percentage benefit. (Demonstration does not count toward hours.)

We are excited to have you with us and will be looking forward to seeing the work of your hands. If you have any questions please contact a member of the Sale Committee:
